I am writing to express my interest in the [Internship Position] at [Company Name], as advertised on [where you found the job posting]. As a computer science student at UPEI with a passion for software development and problem-solving, I am excited about the opportunity to contribute to your team and further develop my skills.

In my coursework, I've gained proficiency in data structures, algorithms, and web development. During internships, I want to contribute to real-world projects, gaining experience in agile development and technical support.

I'm particularly drawn to [Company Name] for its innovative projects in [mention any specific areas of interest]. I am eager to contribute and learn in a dynamic and collaborative environment.

Enclosed is my resume for further details. I am available for an interview at your convenience and can be reached at (902)-388-6389 or via email at adekanola38@gmail.com

Thank you for considering my application. I look forward to the possibility of discussing how my background and enthusiasm align with the needs of your team.

Sincerely,

Adekanola Opololaoluwa.
